I am a lifelong resident of Trumbull County, the son of a working family who also owned and operated a farm. I am no stranger to hard work and dedication. Being married for 40 years and raising two sons I understand the importance of family safety and security. Having dedicated my entire adult life to Law enforcement and public service, I retired at the rank of Major from the Trumbull County Sheriff's Office with over 36 years of service. I am confident that if elected Sheriff of Trumbull County I possess the Education, Training and Experience to Lead the Sheriff's Office into the future.
